# Staying Resilient at the City of Mississauga

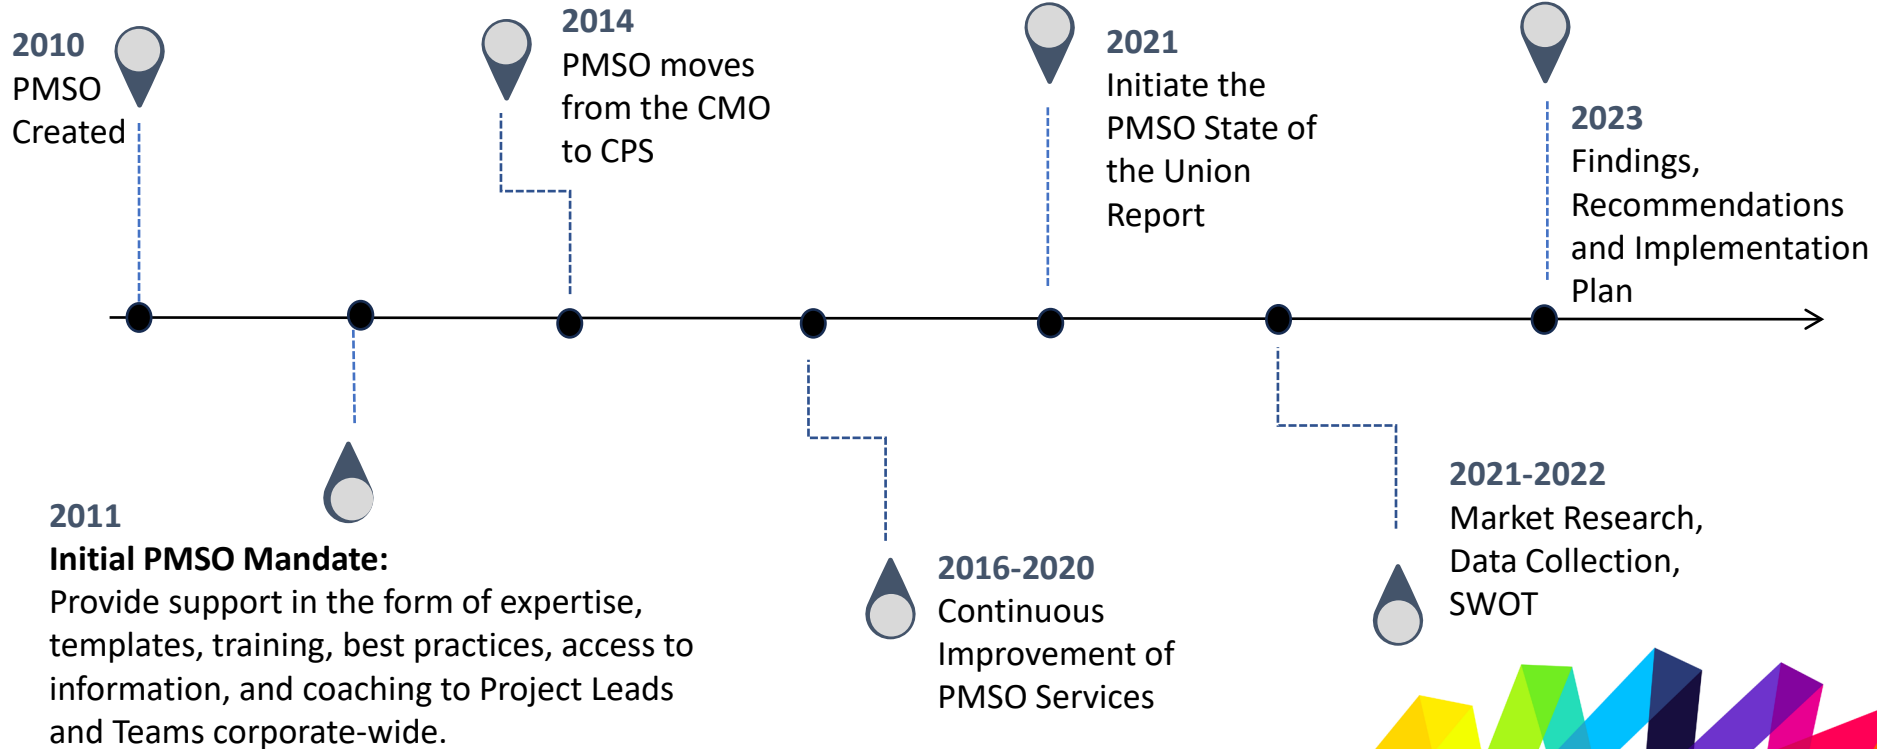

- Continually investing in our Transportation and Infrastructure Projects
- Improved service delivery by going digital in various tools & templates
- Dedicated to providing a strong work/ life balance to staff

**Celebrating both  
Mississauga's and  
MiWay's 50<sup>th</sup>  
Anniversaries!**

# PMSO Resilience Journey at the City of Mississauga

# Improved PMSO Themes

- Project Standards
- Project Centralization and Oversight
- Establish Stronger Partnerships with other teams to support project delivery
- Senior Leadership Expectations, Support and Education
- PMSO Mandate, Goals, Metrics and Services
- Prioritize Education and Coaching to support Project Teams

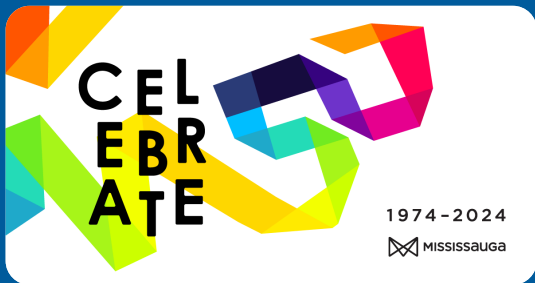

# Looking Forward
